Magnolia Hotel and Spa, Victoria

Boutique Accommodation Near the Inner Harbour Area

Magnolia Hotel and Spa in the heart of Victoria, BC has boutique style, a luxury spa and Asian dining cuisine.

Step inside the boutique Magnolia Hotel & Spa in [Victoria](#) for a personal and satisfying experience. Staff are genuinely happy to welcome you and other guests seem just as content. Voted one of the top three hotels in Canada by Condé Nast readers last year, it certainly lives up to its accolades. Look for the attention to detail in the bowl full of fresh apples in the lobby, complimentary European-style continental breakfast and gloriously high ceilings, all in the heart of the city.

Hotel Rooms

With only 63 rooms total, each suite has been tastefully furnished with a European touch. Natural light shines in from the almost floor-to-ceiling windows, with some of the rooms overlooking the inner harbour area of Victoria. Washrooms hint at the luxury spa on the second floor by stocking Aveda products and having both a high pressure shower and soaker tub to relax in.

Spa Magnolia

Hidden among the guest rooms, enter the oasis of The Spa Magnolia. Therapists are trained in the Aveda concept of ancient well being in a modern world, complimenting the natural product line. Let one of the knowledgeable practitioners guide your treatment to suit your specific needs. High ceilings are featured in all treatment rooms and there's even a couple's room, one of the only in Victoria. Bring your partner, best friend or mother for shared pampering.

Introduce yourself to Paula Veenema when you arrive, the spa's gracious Owner and Director. Her passion for the Aveda philosophy and a career in sales and marketing has strengthened the reputation of Spa Magnolia. Treatments range from the full 4.25 hour Euphoric package and Chocolate Blitz Body Wrap to invigorating facials and full body waxing. Note that their hydrotherapy tub has almost 200 jets to massage every inch of your body. Call for reservations: **(250) 920-7721**

Hotel Dining at Sanuk

Following the lead of the hotel staff, service at *Sanuk* is all about being personal and paying attention to details. The hip space mixes Asian cuisine with modern cool in a convincing seduction. Dishes are beautifully presented and just as pleasing to the palate.

The Sri Lankan style seafood *laksa* is highly recommended, as is the albacore tuna *tataki* with cucumber and pea sprout salad. Meat specialties cover ginger and caramel glazed chicken or sticky pork side ribs, while seafood and noodles include Thai peanut prawns and veggies, and tofu substitutes for any meat. Also on the menu is a selection of burgers and pizza, matched with unique beers brewed next door in the adjoining pub.
