HOTEL & SPA

About the Magnolia

Condé Nast Traveler readers recently recognized the Magnolia Hotel & Spa in Victoria as one of the **‘Top Three Hotels in Canada’**.

The Magnolia Hotel & Spa sports an extraordinarily convenient location, only steps away from Victoria’s popular Inner Harbour area. It features elegant rooms, furnishings, décor and atmosphere infused with an unmistakable European elegance. It is known for remarkably attentive personal service that immediately transports travelers from feeling like a guest to feeling like a welcome friend. There are unexpected touches everywhere: fresh flowers and fruit in the lobby, Aveda products in the bathroom, gourmet coffee, tea and spring water in the room, crisp linens turned down nightly. Complimentary European continental breakfast is served each morning.

Bathed in natural light from floor to ceiling windows that overlook downtown Victoria and the waterfront, rooms at The Magnolia could be more accurately described as havens. All 63 rooms feature large crown moldings and custom designed furniture that exemplifies timeless elegance. Sumptuous two-poster beds are elegantly dressed in warm duvets and feather pillows. Executive Rooms feature gas fireplaces.

Opulent bathrooms feature marble counters and floors, oval sink, separate walk-in glass showers and deep soaker tubs for the ultimate in bathing and relaxation. Aveda™ creams, soaps, balms, shampoos and conditioners are provided to pamper guests. Corporate travellers will enjoy hi-speed Internet, large desks and two-line phones with private voicemail.

Spa Magnolia embodies the world-famous Aveda holistic approach that merges ancient wisdom with modern science to create an integrated path to well-being and health.

Under the same roof as The Magnolia Hotel & Spa is newly renovated Prime Steakhouse & Lounge, a steak lover’s paradise, where fine food is paired with local wine selections.
