Magnolia Hotel & Spa

Top Hotel in Canada - Condé Nast Traveler readers have consistently recognized the Magnolia Hotel & Spa in Victoria as one of the '**Top Hotels in Canada**'.

Small is Beautiful - The Magnolia is a four-diamond European style hotel, with a touch of luxury and attention to detail, in the heart of downtown Victoria. With only 64 rooms, elegant detailing, and attentive staff, guests will feel they've entered another, more gracious, time.

Aaah, Spa - Spa Magnolia has just undergone a complete redesign, with an elegant new lobby at street level, gorgeous new colour palette and greatly expanded treatment space. The therapist's goal at Spa Magnolia is to assist guests in creating a higher quality of life, whether through purification and rejuvenation, or merely rebalancing, relaxing, and soothing aches and pains. Signature treatments include Seasonal Wrapture or Jetlag Reprieve.

Victoria's Secret Shopping - We know all the intriguing little shops off the beaten path, from a tiny hat shop with an exceptional array of choices, to a funky little purse store with fun bags, serious bags, Audrey Hepburn and Marilyn Monroe bags, or a unique little tea and aromatherapy store. Much more...but we will reveal.

Cultural Capital of Canada - The City of Victoria has a thriving cultural community, with a mix of professional and community artists, opera, and symphony. It has the oldest and most intact Chinatown in Canada, the largest multicultural arts festival in Western Canada and the largest number of artists on a per capita basis in all of Canada. The Victoria Fringe Theatre Festival is one of the oldest in Canada - and it is all within blocks of the Magnolia Hotel.

In House Dining - New on the Victoria scene is Prime Steakhouse & Lounge, a steak lover's paradise with six cuts of steak gracing the menu. The secret is in the aging process (a minimum of 21 - 28 days) and in the Montegue broiler, which seals in the flavour. There are many other mouthwatering entrée choices, with emphasis on regional and seasonal fare.

Discover Vancouver Island's Regional Cuisine - With a number of wineries sprouting along the southern tip, great fresh organic produce, and an Island Chef's Collaborative to nurture the process, regional cuisine has become a strength of the island. The best chefs work with the best growers to guarantee quality, and there are a few knowledgeable and enthusiastic foodies who will take you on a treasure hunt of interesting farms and delectable tastes.
